Revenue Debt Warehousing Scheme	<p>Revenue will warehouse deferred tax debts associated with the COVID-19 crisis.</p> <p>Under the scheme, VAT and PAYE (Employer) tax debts deferred while a business is unable to trade or was subject to restricted trading due to the COVID-19 related restrictions, as well as debts for an additional two months after the business resumes 'normal' trading, will be ringfenced by Revenue.</p> <p>There will be no collection of any of the debt in question during this period and no interest will apply.</p>	<p>Following a resumption of 'normal' trading, the outstanding VAT and PAYE (Employer) tax debts will be warehoused for 12 months during which there will be no collection of this debt by Revenue and no interest will be charged. However, businesses will be expected to pay current liabilities as they arise during this 12-month period.</p> <p>At the end of the 'warehoused' 12-month period, a reduced interest rate of 3% will apply on the repayment of such warehoused tax debt until it is fully paid.</p>	<p>Further information on the 'warehousing' of deferred tax debts and interest suspension arrangements is available on the Revenue website.</p> <p>Revenue has confirmed that Tax Clearance will not be affected by a business availing of tax debt warehousing under this arrangement.</p> <p>Please note, implementing this scheme will require legislation. The operational details are being finalised and the necessary legislative amendments will be brought forward in Finance Bill 2020.</p>
How to access support	<p>Please note that to avail of the scheme, the tax debt will have to be quantified by the business through the filing of all relevant returns for the restricted trading phase. If a best estimate return of liability has been made for any period, the correct return will have to be filed to ensure the debt benefits from the warehousing.</p>

<p>Support Through Pillar Banks</p>	<p>Following a meeting on March 18 2020, between representatives of the pillar banks, AIB, Bank of Ireland, KBC, Permanent TSB and Ulster Bank, the Banking and Payments Federation and Minister for Finance Paschal Donohoe five key measures have been introduced.</p> <p>Banks are adopting a customer focussed approach with a wide variety of tailored supports including extensions of credit lines, risk guarantees, and trade finance.</p>	<ol style="list-style-type: none"> 1. Payment break on loans up to six months for business affected by Covid-19, to be followed by ongoing reviews depending on the scale and extent of the situation. 2. Simplified application process to make it as easy as possible for businesses and personal customers impacted by Covid-19 to receive support from their banks. Banks want to ensure that Covid-19 payment breaks will not adversely impact the customer's credit record, and the banks reporting of these facilities. Banks will defer court proceedings for three months. The banking system stands ready to provide working capital support. 	<p>For additional information on how the banks will work with your business visit the Banking and Payments Federation of Ireland's FAQ page.</p> <p>Businesses wishing to avail of a payment break should contact their respective bank. All businesses are being encouraged to engage with their bank to agree financing needs over the coming period and restructure as appropriate.</p> <p>Bank Options include:</p> <ul style="list-style-type: none"> • Debt moratoriums • Short Term Loans • Working Capital Solutions • Trade Finance Solutions • Forbearance Requests <p>Overdraft Facility - This is for short-term funding in times of certainty i.e. you know cashflows will return to normal in a few weeks. It can be expensive, and banks can call repayment at any time. Examine other loan options and bank supports which may be more suitable for your business in the current situation and ongoing uncertainty.</p> <p>Access our quick guide to improving liquidity and working capital here</p>
